SAN FRANCISCO, CAL., Mch. 19th 1912 1910

Hon. Leo Justi
Justice of the Peace Glen Ellen

Dear Sir; Mrs.Teresa Bell has just received a letter for her tenant Pete Lacrabere, that the Road Master or some one is again blasting rock in Nunns Can-on.

The County has only a right of way for a road and can take no material or rock except what may be necessary to repair the road in the Can-on. You will remember that the Road Master was ### stopped last summer. Mrs Bell owns all on the north west side of the Creek,up to the Crosby Place and from there she owns on both sides.

Mrs. Bell requests that you go or send some one at once and stop the blasting or removal of material. She says take all steps necessary to stop the blasting and removal of material,and she will pay all costs.

Please let me hear from you as soon as you understand the situation. I expect to come out on the S.P.to-morrow to my place near Caliente and will most likely come on to Glen Ellen. If I do I can only stay for a few minutes and take team back to my place.

Yours Truly
